

Key Stage 1 Results

All children across the country are assessed in reading, writing and maths through teacher assessment. The expected level of attainment by the end of Year 2 is Level 2b, with the most able children attaining Level 3c.

St Fidelis' reading attainment is well above the national average. Pupils make outstanding progress in reading within the school.

Writing attainment is well above the national average. Pupils make outstanding progress in writing within the school.

Maths attainment is well above the national average. The school would like to see more of our more able pupils achieve level 3 at the end of Key Stage One.
